

# THE PERRY POST

Senator Keith Perry  
FL District 9

APRIL, 2023

## District 9

Friends,

We're making our way into week 6 of regular session and I've filed several bills aiming to improve the lives of those in District 9, and all of Florida. We're seeing tremendous economic growth and people moving to our state for our emphasis on individual liberty and economic freedom, and I'm excited for what we'll accomplish this year. It's my goal to continue to fight for the values that make Florida such a great place to live, as long as I have the honor of representing you in District 9. If you have any questions or need assistance, please don't hesitate to reach out to my office.

Sincerely,

*W. Keith Perry*

In Case You Missed It

### Governor DeSantis Signs Bill to Empower Student Athletes and Support Professional Development

I had the honor of joining Governor Ron DeSantis and student-athletes from Florida State University and the University of Florida to sign House Bill (HB) 7-B, revising Florida's laws relating to Name, Image and Likeness (NIL). HB 7-B removes barriers for NIL while expanding financial literacy, life skills and entrepreneurship workshop requirements for athletes, requiring agents representing student-athletes to protect them from unauthorized use and exploitation of their NIL and specifying that postsecondary educational institutions are not liable for damages as a result of routine actions taken in the course of intercollegiate athletics.

# DISTRICT NEWS

## Senator Perry Opens New Office in Levy County

Happy to announce we have a satellite office in Levy County Government complex at 310 School Street, Bronson, Florida.

A member of our staff will be there two days a week to meet with constituents and attend Commission meetings to stay aware of topics important in Levy County.

# SESSION UPDATE

March in Tallahassee has been busy and I enjoyed meeting with so many different groups. AMI Kids, Pace Center for Girls-Alachua, SWAT students from Marion County, the Florida College system Council of Presidents, the University of Florida leadership academy members, Florida State University day, and the Florida Realtors association.

---

It was a pleasure engaging with the middle and high school students who participated in the Florida Civics and Debate Initiative and won awards at the National Civics and Debate Championship.

Among other topics, we discussed how to become involved in the political process, especially at their local levels, and how important it is to become educated about the process and the topics that affect them.

As our future leaders, participating in this program is a great way to gain knowledge and experience for their professional careers.

---

## CHILDRENS DAY @ THE CAPITOL

---

---

Last week was Children's Day at the Capitol. The student artwork is always so wonderful to see. It brightens up the Rotunda!
